WESTERN Colorado University: application link and Instructions for Students 2026

The application is **open** for RMBL for Summer 2026.

Instructions from Western on how to apply to Western and Register for Credit through the Center for Learning and Innovation/Outdoor Partners Program:

Please have RMBL students go through the following process to get to the application:

1. Go to our Western homepage-www.western.edu
2. In the top right hand corner select the red button APPLY
3. "Apply Now Become a Mountaineer" page. Ready to Apply? I am a drop down arrow on the right to "Center for Learning & Innovation Student"
4. Select "CLI Application"
5. Gain access into Slate Application (follow instructions)
6. In the CLI Application-select Outdoor Partners with credit to use 529/AmeriCorps Funding (Credit is Required)
7. Then select either RMBL High School or RMBL Undergraduate
8. Summer 2026-Entry Term
9. Everything else should be self explanatory.

RMBL student choices for Courses:

Rules: **Maximum 10 credits** (5 in first session, 5 in second session). **ONLY** students enrolled in Wildlife or Ecosystems may take Independent Research I for 3 credits. For all students, Independent Research II does not require Ind. Res. I.
